A man wearing a red jacket and a white apron is standing on a sidewalk, reaching up to adjust a large sign on a metal pole. The sign is for 'PAT'S DINER' and lists the menu items: 'OPEN 6AM 130PM', 'BOILED DINNER', and 'FISH AND CHIPS'. The sign features a blue and white decorative border and a drawing of a diner building. In the background, there is a yellow house with a porch, a white car, and a red, white, and blue flag flying on a pole. The sky is overcast.
